All times have been rounded to the second. However, times were recorded to the hundredth.

Some single lap competitors elected to do the second lap for fun, this is why a few have a second lap time and a combined time. However, all single lap class competitors are ranked by their first lap result.

For questions, email webmonkey@summit90.com

Congratulations to all the competitors for getting out there and giving it your all! See you next year.

Thanks to Outdoor Research, the volunteers, FOAC, the sponsors, The Summit, and all who helped make the Monika Johnson Memorial Rally a fun and successful event!
